The Bonds shall bear interest on the unpaid principal amount from the date(s) specified in the Pricing Certificate at the rates per annum shown in the Pricing Certificate until such principal shall have been paid or duly provided for at or after the Stated Maturity of each Bond or any earlier redemption date. The amount of interest to be paid each payment period shall be computed on the basis of a 360-day year of twelve 30-day months and such interest shall be payable on March 1 and September 1 in each year, commencing on the date set forth in the Pricing Certificate.

Section 3. Delegation of Authority to Pricing Officer. As authorized by Section 1207.007 of Chapter 1207, Texas Government Code, as amended, the City Manager or Chief Financial Officer of the City (either the "Pricing Officer") is hereby authorized to act on behalf of the City in selling and delivering the Bonds and carrying out the other procedures specified in this Ordinance, including selection of the specific maturities, in whole or in part, of the Refunded Bonds to be refunded, determining the aggregate principal amount of the Bonds, the date of the Bonds, any additional or different designation or title by which the Bonds shall be known, determining whether the Bonds shall be issued in one or more series or subseries, the price at which the Bonds will be sold, the manner of sale (negotiated, privately placed or competitively bid), the years in which the Bonds will mature, the principal amount to mature in each of such years, the rate of interest to be borne by each such maturity, the date from which interest on the Bonds will accrue, the interest payment dates, the price and terms upon and at which the Bonds shall be subject to redemption prior to maturity at the option of the City, as well as any mandatory sinking fund redemption provisions, determination of the use of a book-entry-only securities clearance, settlement and transfer system, the designation of one or more paying agent/registrars, the designation of one or more escrow agents, if applicable, satisfying the requirements of Chapter 1207, the terms of any bond insurance applicable to the Bonds, including any modification of the continuing disclosure undertaking contained in Section 46 hereof as may be required by the purchasers of the Bonds in connection with any amendments to the Rule (hereinafter defined), and all other matters relating to the issuance, sale and delivery of the Bonds, all of which shall be specified in the Pricing Certificate, provided that:

- (a) the aggregate original principal amount of the Bonds shall not exceed \$10,000,000;
- (b) the maximum true interest cost rate for the Bonds shall not exceed 4.20%;
- (c) the refunding must produce a net present value debt service savings of at least 3.00%, net of any contribution by the City;
- (d) the maximum maturity date for the Bonds shall not exceed September 1, 2034.

The execution of the Pricing Certificate shall evidence the sale date of the Bonds by the City to the Purchasers (hereinafter defined).

If the Pricing Officer determines that bond insurance results in a net reduction of the City's interest costs associated with the Bonds, then the Pricing Officer is authorized, in connection with effecting the sale of the Bonds, to make the selection of a municipal bond insurance company for the Bonds (each, an "Insurer") and to obtain from the Insurer a municipal

bond insurance policy in support of the Bonds. The Pricing Officer shall have the authority to determine the provisions of the commitment for any such policy or policies and to execute any documents to affect the issuance of said policy or policies by the Insurer.

In establishing the aggregate principal amount of the Bonds, the Pricing Officer shall establish an amount not exceeding the respective amounts authorized in subsection (3)(a) above, which shall be sufficient in amount to provide for the purposes for which the Bonds are authorized and to pay costs of issuing the Bonds. The delegation made hereby shall expire if not exercised by the Pricing Officer within 120 days of the date of the adoption of this Ordinance. The Bonds shall be sold to the purchaser(s)/underwriter(s) named in the Pricing Certificate (the "Purchasers"), at such price and with and subject to such terms as set forth in the Pricing Certificate and the Purchase Contract (hereinafter defined), and may be sold by negotiated or competitive sale or by private placement. The Pricing Officer is hereby delegated the authority to designate the Purchasers, which delegation shall be evidenced by the execution of the Pricing Certificate.

Section 4. Payment of Bonds - Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Bonds due and payable by reason of maturity, redemption, or otherwise, shall be payable only to the registered owners or holders of the Bonds (the "Holders") appearing on the registration and transfer books maintained by the Paying Agent/Registrar. Any such payments shall be payable, without exchange or collection charges, to the Holder in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

The selection and appointment of the Paying Agent/Registrar for the Bonds shall be as provided in the Pricing Certificate. Books and records relating to the registration, payment, exchange and transfer of the Bonds (the "Security Register") shall at all times be kept and maintained on behalf of the City by the Paying Agent/Registrar, all as provided herein, in accordance with the terms and provisions of a "Paying Agent/Registrar Agreement," substantially in the form attached hereto as **Exhibit A** and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The Pricing Officer is hereby authorized to execute and deliver such Paying Agent/Registrar Agreement in connection with the delivery of the Bonds. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a commercial bank, trust company, financial institution, or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice thereof to be sent to each Holder by United States Mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Bonds, shall be payable at their Stated Maturities or upon their earlier redemption only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated offices provided in the Pricing Certificate (the "Designated Payment/Transfer Office"). The Paying Agent/Registrar shall pay interest on the Bonds only to the Holders whose names appear in the Security Register at the close of business on the "Record Date" (the fifteenth (15th) day of the month next preceding each interest payment date) and such interest payments shall be made either by: (1) check sent United States Mail, first class postage prepaid, to the address of the Holder recorded in the Security Register on the Record Date or (2) by such other method, acceptable to the Paying Agent/Registrar, requested by the Holder at the Holder's risk and expense. If the date for the

payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to be closed, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to be closed; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such past due interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

**Section 5. Registration - Transfer - Exchange of Bonds - Predecessor Bonds.** A Security Register relating to the registration, payment, and transfer or exchange of the Bonds shall at all times be kept and maintained by the City at the Designated Payment/Transfer Office of the Paying Agent/Registrar and at a place within the State of Texas, as provided herein and in accordance with the provisions of the Paying Agent/Registrar Agreement and such rules and regulations as the Paying Agent/Registrar and the City may prescribe. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each and every Holder of the Bonds issued under and pursuant to the provisions of this Ordinance, or, if appropriate, the nominee thereof. Any Bond may, in accordance with its terms and the terms hereof, be transferred or exchanged for Bonds, maturity, and amount in authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar at its Designated Payment/Transfer Office for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Bond (other than the Initial Bond(s) authorized in Section 8 hereof) at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds, executed on behalf of and furnished by the City, of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bond(s) authorized in Section 8 hereof) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are so surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds executed on behalf of, and furnished by, the City to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar, or sent by

United States mail, first class postage prepaid, to the Holder and, upon the delivery thereof, the same shall be valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds canceled by reason of an exchange or transfer under this Section are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any Bond registered and delivered pursuant to Section 30 hereof in lieu of a mutilated, lost, destroyed, or stolen Bond which shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within forty-five (45) days of the date fixed for the redemption of such Bond; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

Section 6. Book-Entry-Only Transfers and Transactions. Notwithstanding the provisions contained in Sections 3 and 5 and in the Pricing Certificate relating to the payment, and transfer/exchange of the Bonds, the City hereby approves and authorizes the use of "Book-Entry-Only" securities clearance, settlement and transfer system provided by The Depository Trust Company (DTC), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representations, by and between the City and DTC (the "Depository Agreement").

Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the "DTC Participants"). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or in the event the City decides to discontinue use of the system of book-entry transfers through DTC, the City covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 3, 4 and 5 hereof and in the Pricing Certificate.

Section 7. Execution - Registration. The Bonds shall be executed on behalf of the City by the Mayor under its seal reproduced or impressed thereon and countersigned by the City Clerk. The signature of said officers and the seal of the City on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the date of adoption of the Ordinance shall be deemed to be duly executed on behalf of the City, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Texas Government Code, Chapter 1201, as amended.

No Bond shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 9(c), manually executed by the Comptroller of Public Accounts of the State of Texas, or his or her duly authorized agent, or a certificate of registration substantially in the form provided in Section 9(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate duly signed upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered and delivered.

Section 8. Initial Bond(s). The Bonds herein authorized shall be initially issued as (1) a single fully registered bond in the total principal amount of this series with principal installments to become due and payable as provided in the Pricing Certificate and numbered T-1, or, alternatively, (2) as one bond for each year of maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (hereinafter called the "Initial Bond(s)") and, in either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond, the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond and exchange it for definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the named Holders at the addresses identified for such purpose; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

Section 9. Forms.

A. Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and, with the Bonds to be completed and modified with the information set forth in the Pricing Certificate, may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends in the event the Bonds, or any maturities thereof, are purchased with insurance and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the City or as determined by the Pricing Officer or the officers executing such Bonds as evidenced by their

execution thereof. The Pricing Certificate shall set forth the final and controlling forms and terms of the Bonds. Any portion of the text of any Bonds may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The definitive Bonds and the Initial Bond(s) shall be printed, lithographed, engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution thereof.

The City may provide (i) for issuance of one fully registered Bond for each Stated Maturity in the aggregate principal amount of each Stated Maturity and (ii) for registration of such Bonds in the name of a securities depository, or the nominee thereof. While any Bond is registered in the name of a securities depository or its nominee, references herein and in the Bonds to the Holder or registered owner of such Bond shall mean the securities depository or its nominee and shall not mean any other person.

The City of Tyler, Texas, (hereinafter referred to as the "City"), a body corporate and municipal corporation in the County of Smith, State of Texas, for value received, hereby promises to pay to the registered owner named above, or the registered assigns thereof, solely from the Net Revenues, as provided in the Ordinance, on the Stated Maturity date specified above or date of redemption, the Principal Amount stated above (or so much thereof as shall not have been paid upon prior redemption) and to pay interest on the unpaid Principal Amount hereof from the interest payment date next preceding the "Registration Date" of this Bond appearing below (unless this Bond bears a "Registration Date" as of an interest payment date, in which case it shall bear interest from such date, or unless the "Registration Date" of this Bond is prior to the initial interest payment date in which case it shall bear interest from the date of initial delivery of the Bonds) at the per annum rate of interest specified above computed on the basis of a 360-day year of twelve 30-day months; such interest being payable on March 1 and September 1 of each year commencing \_\_\_\_\_, until maturity or prior redemption. Principal of this Bond shall be payable to the registered owner hereof, upon presentation and surrender, at the Designated Payment/Transfer Office of the Paying Agent/Registrar executing the registration certificate appearing hereon, or its successor. Interest shall be payable to the registered owner of this Bond (or one or more Predecessor Bonds, as defined in the Ordinance hereinafter referenced) whose name appears on the "Security Register" maintained by the

Paying Agent/Registrar at the close of business on the "Record Date," which is the fifteenth day of the month next preceding each interest payment date. All payments of principal of, premium, if any, and interest on this Bond shall be in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts and shall be made by the Paying Agent/Registrar by check sent on or prior to the appropriate date of payment by United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register on the Record Date or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. If the date for the payment of the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to be closed, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to be closed; and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$\_\_\_\_\_ (herein referred to as the "Bonds") pursuant to the Pricing Certificate and an ordinance adopted by the governing body of the City (the "Bond Ordinance," and jointly with the Pricing Certificate, the "Ordinance"), for the purpose of (i) providing funds for the discharge and final payment of certain obligations of the City (described in the Ordinance and referred to herein as the "Refunded Bonds"), and (ii) to pay the costs and expenses of issuance in conformity with the Constitution and laws of the State of Texas, including Chapter 1207 of the Texas Government Code, as amended, and the Ordinance.

[The Bonds maturing on the dates hereinafter identified (the "Term Bonds") are subject to mandatory redemption prior to maturity with funds on deposit in the Interest and Sinking Fund established and maintained for the payment thereof in the Ordinance, and shall be redeemed in part prior to maturity at the price of par and accrued interest thereon to the date of redemption, and without premium, on the dates and in the principal amounts as follows:

Term Bonds due _____, 20__		Term Bonds due _____, 20__	
<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u>
_____, 20__		_____, 20__	
_____, 20__		_____, 20__	

\* Stated maturity.

The particular Term Bonds of a Stated Maturity to be redeemed on each redemption date shall be chosen by lot by the Paying Agent/Registrar; provided, however, that the principal amount of Term Bonds for a Stated Maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Bonds of like Stated Maturity which, at least fifty (50) days prior to a mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not theretofore credited against a mandatory redemption requirement.]

[The Bonds maturing on and after \_\_\_\_\_, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any

integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on \_\_\_\_\_, or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty (30) days prior to the date fixed for any redemption of Bonds, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Bond to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinance. If a Bond (or any portion of its principal sum) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor; provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the principal amount of a Bond is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Ordinance for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within forty-five (45) days of the redemption date; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.]

The Bonds are special obligations of the City payable, together with Previously Issued Bonds, solely from and secured by a lien on and pledge of the Net Revenues (as defined in the Ordinance) of the City's combined water and sewer system (the "System"), such lien and pledge, however, being junior and subordinate to the lien on and pledge of such Net Revenues to the payment and security of the Prior Lien Bonds (as defined in the Ordinance). The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the System, except with respect to the Net Revenues. The registered owner hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Subject to satisfying the terms and conditions prescribed therefor, the City has reserved the right to issue additional revenue obligations payable from and equally and ratably secured by a parity lien on and pledge of the Net Revenues, in the same manner and to the same extent as the Bonds.

As provided in the Ordinance, no additional obligations will be authorized or issued on a parity with the outstanding Prior Lien Bonds; and the Bonds and the Previously Issued Bonds (as defined in the Ordinance), together with Additional Bonds hereafter issued on a parity therewith, will become obligations equally secured by a first lien on and pledge of the Net Revenues of the System at such time as the principal of and interest on the Prior Lien Bonds have been fully paid or provision for the payment of said Prior Lien Bonds has been made in accordance with applicable law.

Reference is hereby made to the Ordinance, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the registered owner by his acceptance hereof hereby assents, for the definitions of terms; the description of and the nature and extent of the security for the Bonds; the properties constituting the System; the Net Revenues pledged to the payment of the principal of and interest on the Bonds; the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds; the terms and conditions for the issuance of additional revenue obligations; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the registered owner; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the liens, pledges, charges and covenants made therein may be discharged at or prior to the maturity or redemption of this Bond, and this Bond deemed to be no longer Outstanding thereunder; and, for other terms and provisions contained therein. Capitalized terms used herein have the same meanings assigned in the Ordinance.

This Bond, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, may treat the registered owner hereof whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal hereof at its Stated Maturity or upon its prior redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of non-payment of interest on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each registered owner appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited and represented and covenanted that the City is a duly organized and legally existing municipal corporation under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is duly authorized by law; that all

acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinance; that the Bonds do not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by a pledge of the Net Revenues as aforestated. In case any provision in this Bond or any application thereof shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be duly executed under the official seal of the City.

Section 10. Definitions. For purposes of this Ordinance and in particular for clarity with respect to the issuance of the Bonds herein authorized and the pledge and appropriation of revenues therefor, the following definitions are provided:

(a) The term "Additional Bonds" shall mean the additional parity revenue obligations which the City reserves the right to issue in this Ordinance.

(b) The term "Bonds" shall mean the water and sewer system revenue refunding bonds authorized by this Ordinance and designated as "City of Tyler, Texas, Water and Sewer System Refunding Bonds, New Series 2017B."

(c) The term "Bonds Similarly Secured" means the Bonds, the Series 2017A Bonds (being authorized simultaneously with the Bonds and scheduled to be delivered on August 23, 2017), the Previously Issued Bonds and Additional Bonds.

(d) The term "Fiscal Year" shall mean the twelve months' period ending September 30 of each year, unless otherwise designated by the City.

(e) The term "Net Revenues" shall mean the gross revenues of the System less the expense of operation and maintenance, all salaries, labor, materials, repairs, and extensions necessary to render efficient service, provided, however, that only such expenses for repairs and extensions as in the judgment of the City, reasonably and fairly exercised, are necessary to keep the System in operation and render adequate service to the City and the inhabitants thereof, or such as might be necessary to meet some physical accident or condition that would otherwise impair any obligations payable from the net revenues of the System, shall be deducted in determining "Net Revenues." Contractual payments for the purchase of water or the treatment of sewage shall be a maintenance and operating expense of the System to the extent provided in any contract therefor and as may be authorized by law. Depreciation shall never be considered as an expense of operation and maintenance.

(f) The term "Ordinance" means this Ordinance under which the Bonds are authorized.

(g) The terms "Outstanding" and "outstanding", when used in this Ordinance with respect to Bonds, Additional Bonds or Prior Lien Bonds means, as of the date of determination, all bonds theretofore issued and delivered, except:

(1) those bonds theretofore canceled by the paying agent/registrar or delivered to the paying agent/registrar for cancellation;

(2) those bonds for which payment has been duly provided by the City of the irrevocable deposit with the paying agent/registrar, or an authorized escrow agent, of money, or government securities, or both, in the amount necessary to fully pay the principal of, premium, if any, and interest thereon to maturity or redemption, as the case may be, provided that, if such bonds are to be redeemed, notice of redemption thereof shall have been duly given pursuant to the ordinance authorizing such bonds or irrevocably provided to be given to the satisfaction of the paying agent/registrar, or waived;

(3) those bonds that have been mutilated, destroyed, lost or stolen and replacement bonds have been registered and delivered in lieu thereof as provided in the ordinance authorizing such bonds.

(h) The term "Previously Issued Bonds" means bonds issued on a parity with the Bonds and Additional Bonds, including the Outstanding (1) "City of Tyler, Texas, Water and Sewer System Revenue Refunding Bonds, New Series 2011," (2) "City of Tyler, Texas, Water and Sewer System Revenue Refunding Bonds, New Series 2012," (3) "City of Tyler, Texas, Water and Sewer System Revenue Refunding and Improvement Bonds, New Series 2015A" and (4) "City of Tyler, Texas, Water and Sewer System Refunding Bonds, New Series 2015B."

(i) The term "Prior Lien Bonds" means the City's Outstanding (1) Water and Sewer System Revenue Bonds, Series 2008 (a portion of which is to be refunded by the Series 2017A Bonds) and (2) Water and Sewer System Revenue Bonds, Series 2009 (a portion of which is to be refunded by the Bonds).

(j) The term "Series 2017A Bonds" shall mean the "City of Tyler, Texas, Water and Sewer System Refunding Bonds, New Series 2017A" being authorized simultaneously with the Bonds and scheduled to be delivered on August 23, 2017.

(k) The term "System" shall mean the City's combined Water and Sewer System, including all present and future additions, extensions, replacements, and improvements thereto.

Section 11. Pledge of Revenues. That the City hereby covenants and agrees that, subject only to the prior lien on and pledge of the Net Revenues of the System to the payment and security of the Prior Lien Bonds (including the establishment and maintenance of the special funds created for the payment and security thereof) under the terms and conditions of the ordinances and proceedings pertaining to their authorization, the Net Revenues of the System, with the exception of those in excess of the amounts required for the payment and security of the Bonds Similarly Secured, are hereby irrevocably pledged to the payment and security of the Bonds Similarly Secured, including the establishment and maintenance of the special funds created and established for the payment and security thereof, all as hereinafter provided, and it is hereby ordained that the Bonds Similarly Secured, and the interest thereon, shall constitute a lien on the Net Revenues of the System and be valid and binding without any filing or recording except for the filing of this Ordinance in the records of the City.

Texas Government Code, Chapter 1208, as amended, applies to the issuance of the Bonds and the pledge of the revenues granted by the City under this Section of this Ordinance, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are Outstanding and unpaid such that the pledge of the revenues granted by the City under this Section of this Ordinance is to be subject to the filing requirements of Texas Business & Commerce Code, Chapter 9, as amended, then in order to preserve to the Holders of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business & Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur.

Section 12. Rates and Charges. For the benefit of the original purchasers as well as the ultimate owners of the Bonds and the Bonds Similarly Secured, and, in addition to all provisions and covenants in the laws of the State of Texas and in this Ordinance, it is expressly stipulated that the City shall, at all times while any of the Bonds Similarly Secured are Outstanding and unpaid, maintain rates and collect charges for the facilities and services afforded by the System, as required by Texas Government Code, Section 1502.057, as amended, which will provide revenues sufficient at all times to:

(a) Pay for all operation, maintenance, depreciation, replacement, and betterment charges of said System;

(b) Maintain the Water and Sewer System Bond Retirement Fund provided and established for the benefit and security of the Prior Lien Bonds;

(c) Produce Net Revenues each year in an amount reasonably estimated to be not less than the greater of (i) 1.10 times the average annual principal and interest requirements of the Prior Lien Bonds Outstanding and the Bonds Similarly Secured Outstanding, or (ii) 1.10 times the annual principal and interest requirements of the Prior Lien Bonds and Bonds Similarly Secured scheduled to come due and mature in each year;

(d) Maintain the Reserve Fund provided and established for the benefit and security of the Prior Lien Bonds; and

(e) Pay all other outstanding indebtedness against said System as and when the same becomes due.

Section 13. Revenue Fund. The City again covenants that it will deposit, as collected, all revenues of every nature derived from the operation of the System into a separate account known as the "City of Tyler, Texas, Water and Sewer System Revenue Fund (herein called the "Revenue Fund") heretofore established which shall be kept separate and apart from all other funds of the City, and, further, that said Revenue Fund shall be pledged and appropriated to the following uses and in the order of precedence shown:

First: To the payment of all necessary and reasonable maintenance and operation expenses of the System as said expenses are defined by law;

Second: To the payment of the amounts required to be deposited in the special Funds or accounts created and established for the payment and security of the Prior Lien Bonds in accordance with the ordinances authorizing the issuance thereof;

- Third: To the payment, equally and ratably, of the amounts required to be deposited in the Interest and Sinking Fund created and established for the payment of principal of and interest on the Bonds Similarly Secured as the same becomes due and payable;
- Fourth: To the payment of any other indebtedness payable from and secured, in whole or in part, by a lien on and claim against the Net Revenues of the System; and
- Fifth: Any Net Revenues remaining in the Revenue Fund after satisfying the foregoing payments, or making adequate and sufficient provisions for the payment thereof, may be appropriated and used for any other purpose now or hereafter permitted by law.

Section 14. Interest and Sinking Fund. The following provisions shall govern the establishment, maintenance and use of the "City of Tyler, Texas, New Series Water and Sewer System Interest and Sinking Fund" (the "Interest and Sinking Fund"). The City covenants that from the funds in the Revenue Fund, the City shall pay into the Interest and Sinking Fund during each year in which any of the Bonds Similarly Secured are outstanding, an amount equal to one hundred percent (100%) of the amount required to meet the principal and interest payments falling due on or before the next interest payment, maturity or redemption date of the Bonds Similarly Secured, such payments to be made in substantially equal monthly installments. If the revenues of the System in any month, after deductions for maintenance and operation expenses, are then insufficient to make the required payments into the Interest and Sinking Fund, then the amount of any deficiency in the payment shall be added to the amount otherwise required to be paid into the Interest and Sinking Fund in the next month. All moneys paid into the Interest and Sinking Fund shall be deposited in a City depository bank, and the Mayor, Mayor Pro Tem, City Manager, Chief Financial Officer or City Clerk, any one or more of said officials of the City, shall cause the depository bank, not later than any principal or interest payment date, to transfer the amount then to become due to the paying agent. Said moneys not invested shall be continuously secured by a valid pledge to the City of direct obligations of the United States of America having an aggregate market value, exclusive of accrued interest, at all times at least equal to such Interest and Sinking Fund.

Section 15. Investment of Certain Funds. The Interest and Sinking Fund may be invested in investments authorized by the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, and the City's investment policy. All moneys resulting from the investment of said fund shall be transferred to the Revenue Fund as received.

Section 16. Further Covenants. The City further covenants and agrees by and through this Ordinance as follows:

(a) That the Bonds shall be special obligations of the City, and the registered owners thereof shall never have the right to demand payment out of any funds raised or to be raised by taxation.

(b) That it has the lawful power to pledge the revenues supporting the Bonds and has lawfully exercised said power under the Constitution and laws of the State of Texas, and that the Bonds issued under this Ordinance shall be ratably secured in such manner that no one Bond shall have preference over any other Bond or Bonds or Bonds Similarly Secured.

(c) That other than for the payment of the Prior Lien Bonds, the Previously Issued Bonds, the Bonds and the Series 2017A Bonds, the Net Revenues have not been in any manner pledged to the payment of any debt or obligation of the City or the System, other than debt or obligations which have a lien on or pledge of the Net Revenues subordinate to the lien on and pledge of such Net Revenues to the Bonds Similarly Secured.

Section 17. Issuance of Additional Bonds.

(a) That, in addition to the right to issue bonds of inferior lien as authorized by law, the City reserves the right to issue Additional Bonds, for the purpose of improving, extending, equipping and repairing the System and for the purpose of refunding in any lawful manner, any part or all of the Bonds Similarly Secured or other obligations of the City eligible to be refunded under the laws of the State of Texas as such laws now or hereafter may exist. The Additional Bonds shall be secured by and payable from a lien on and pledge of the Net Revenues in the same manner and to the same extent as any then Outstanding Bonds Similarly Secured, and the Additional Bonds then proposed to be issued shall in all respects be on a parity and of equal dignity as to lien and right. Additional Bonds may be issued in one or more installments; provided, however, that none of the Additional Bonds shall be issued unless and until the following conditions have been met, to wit:

- (i) The City is not then in default as to any covenant, condition, or obligation contained in this Ordinance or the ordinances authorizing the issuance of the Bonds Similarly Secured.
- (ii) Each of the special funds created for the payment and security of the Bonds Similarly Secured contains the amount of money then required to be on deposit therein.
- (iii) The City has secured from a certified public accountant a certificate or opinion showing that the Net Earnings of the System for either the completed Fiscal Year next preceding the date of the Additional Bonds or a consecutive twelve month period out of the last fifteen (15) months next preceding the date of the Additional Bonds is equal to at least 1.25 times the average annual principal and interest requirements (calculated on a Fiscal Year basis at the time of the issuance of the Additional Bonds) of all Outstanding Prior Lien Bonds and Bonds Similarly Secured that will be Outstanding after the issuance of the proposed Additional Bonds. However, (A) should the certificate of the accountant certify that the Net Earnings of the System for the period covered thereby were less than required above, and (B) a change in the rates and charges for services afforded by the System became effective at least 60 days prior to the last day of the period covered by the accountant's certificate, and (C) an independent engineer or engineering firm having a national reputation with respect to such matters will certify that, had such change in rates and charges been effective for the entire period covered by the accountant's certificate, the Net Earnings covered by the accountant's certificate would have been, in his or their opinion, equal to at least 1.25 times the average annual principal and interest requirements (calculated on a Fiscal Year basis) of the Outstanding Prior Lien Bonds and Outstanding Bonds Similarly Secured after giving effect to the issuance of the Bonds, and Additional Bonds, then, in such event, the coverage specified in the first sentence of this paragraph (iii) shall not be required for the period specified, and such

accountant's certificate will be sufficient if accompanied by an engineer's certificate to the above effect.

- (iv) The ordinance authorizing the Additional Bonds requires that deposits shall be made into the Interest and Sinking Fund in amounts adequate to pay the principal and interest requirements of the Additional Bonds as the same become due.
- (v) The Additional Bonds are made to mature on March 1 or September 1 (or both) of each of the years in which they are scheduled to mature or become due.

(b) The term "Net Earnings," as used in this Ordinance shall mean all income, revenues, and receipts derived from the operation or by reason of the ownership of the System, including grants, gifts, contributions in aid of construction (but excluding meter deposits), interest earned on invested moneys in the special Funds created therein for the payment and security of Bonds Similarly Secured and in the special funds created for payment and security of Outstanding Prior Lien Bonds, after deduction of maintenance and operation expenses but not deducting depreciation, and other expenditures which, under standard accounting practice, should be classified as capital expenditures.

(c) Wherever, in this Ordinance, the City reserves the right to issue Additional Bonds, such term shall also include, mean and refer to any other forms or types of obligations, whether now existing or hereafter authorized, which may be made lawfully payable from and secured by the Net Revenues.

Section 18. No Additional Obligations to be Issued on a Parity with the Prior Lien Bonds - Obligations of Inferior Lien and Pledge. The City will not hereafter issue any additional obligations on a parity with the Prior Lien Bonds or create or issue evidences of indebtedness for any purpose possessing a lien on the Net Revenues of the System superior to that to be possessed by the Bonds Similarly Secured. The City, however, retains the right to create and issue evidences of indebtedness whose lien on the Net Revenues of the System shall be subordinate to that possessed by the Bonds Similarly Secured.

Section 19. Maintenance and Operation - Insurance. The City shall maintain the System in good condition and operate the same in an efficient manner and at reasonable cost. So long as any Bonds are outstanding, the City agrees to maintain insurance for the benefit of the holder or holders thereof on the System of a kind, including but not limited to self-insurance to the extent and in the manner deemed advisable by the City, and in an amount which usually would be carried by private companies engaged in a similar type of business. Nothing in this Ordinance shall be construed as requiring the City to expend any funds derived from sources other than the operation of the System, but nothing therein shall be construed as preventing the City from doing so.

Section 20. Records - Accounts - Accounting Reports. The City covenants and agrees that so long as any Bonds, or any interest thereon, remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the operation of its System separate and apart from all other records and accounts; complete and correct entries shall be made of all transactions relating to the System, in accordance with generally accepted accounting principles except as provided by Texas Government Code, Chapter 1502, as amended; and registered owners shall have the right at all reasonable times to inspect all such records, accounts and data relating thereto, and to inspect the System and all properties comprising same. The City further agrees that following the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of

certified public accountants of national reputation. Each such audit, in addition to whatever other matters may be thought proper by the accountant, shall particularly include the following:

(a) A detailed statement of the income and expenditures of the System for such Fiscal Year.

(b) A balance sheet as of the end of such Fiscal Year.

(c) The accountant's comments regarding the manner in which the City has carried out the requirements of this Ordinance and his recommendations for any changes or improvements in the operation, records and accounts of the System.

Expenses incurred in making the audits referred to hereinabove are to be regarded as maintenance and operation expenses and paid as such. Copies of the aforesaid annual audit shall be immediately furnished, upon request, to the original purchaser or any subsequent owner of the Bonds.

Section 21. Excess Revenues. As provided in Section 13 hereof, all revenues in excess of those required to establish and maintain the Interest and Sinking Fund as required, may be used for any proper City purpose now or heretofore permitted by law.

Section 22. Security of Funds. All funds for which provision is made by the Ordinance shall be secured in the manner and to the fullest extent permitted by law for the security of public funds and the funds created by the Ordinance shall be used only for the purposes therein specified.

Section 23. Remedy in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in payments to be made to the Interest and Sinking Fund as required by this Ordinance, or (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Ordinance, registered owner or owners of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in this Ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy provided shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

Section 24. Bonds are Special Obligations. The Bonds are and shall be special obligations of the City payable from the pledged Net Revenues, and the holder or holders thereof shall never have the right to demand payment of the Bonds out of funds raised or to be raised by taxation.

Section 25. Bonds are Negotiable Instruments. Each of the Bonds authorized shall be deemed and construed to be a "Security" and as such a negotiable instrument within the meaning of Chapter 8 of the Texas Business and Commerce Code, as amended.

Section 26. Competition - Sale of System. So far as it legally may, the City covenants and agrees, for the protection and security of the Bonds, and the registered owner or owners thereof from time to time, that it will not grant a franchise for the operation of any competing system in the City until all Bonds shall have been retired. Neither the System, nor a substantial part thereof, shall be sold while the Bonds are outstanding, but nothing in this Ordinance shall prevent the sale or disposal of properties constituting a part of the System which are no longer useful in connection with the operation thereof.

Section 27. Satisfaction of Obligation of the City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Ordinance, then the pledge of revenues under this Ordinance and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of moneys or Government Securities will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall upon the request of the City be remitted to the City against a written receipt therefor. The provisions of this paragraph are subject to the applicable unclaimed property law of the State of Texas.

Unless otherwise specified in the Pricing Certificate, the term "Government Securities," as used herein, means (i) direct noncallable obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, (ii) noncallable obligations of an agency or instrumentality of the United States, including obligations unconditionally guaranteed or insured by the agency or instrumentality and, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its

equivalent, (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent and (iv) any other then authorized securities or obligations that may be used to defease obligations such as the Bonds under the then applicable laws of the State of Texas.

Section 28. Ordinance to Constitute Contract - Amendment. This Ordinance shall constitute a contract with the Holder of any Bond from time to time, be binding on the City, and shall not be amended or repealed by the City so long as any Bond remains Outstanding except as permitted in this Section and in Section 46 hereof. The City, may, without the consent of or notice to any Holders of Bonds, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders of any Bond, including the curing of any ambiguity, inconsistency or formal defect or omission herein. In addition, the City may, with the written consent of the Holders of Bonds owning a majority in aggregate principal amount of the Bonds then Outstanding affected thereby, amend, add to or rescind any of the provisions of this Ordinance; provided that, without the consent of all Holders of Outstanding Bonds, no such amendment, addition or rescission shall (a) extend the time or times of payment of the principal of, premium, if any, and interest on the Bonds, reduce the principal amount thereof, the redemption price therefor or the rate of interest thereon or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Bonds, (b) give any preference to any Bond over any other Bond or (c) reduce the aggregate principal amount of Bonds required for consent to any such amendment, addition or rescission.

Section 29. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

"*Closing Date*" means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

"*Code*" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"*Computation Date*" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"*Investment*" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"*Nonpurpose Investment*" means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"*Rebate Amount*" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Regulations" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of

(1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

(2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Bonds), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Bonds) or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Bonds by the Purchaser and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax

purposes, the City shall pay to the United States out of the Interest and Sinking Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, City Manager, Chief Financial Officer, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds. (1) At the time the original bonds refunded by the Bonds were issued, the City reasonably expected to spend at least 85% of the spendable proceeds of such bonds within three years after such bonds were issued and (2) not more than 50% of the proceeds of the original bonds refunded by the Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(l) Advance Refunding. The Bonds are being issued to pay and discharge in full the Refunded Bonds, and the Bonds will be issued more than 90 days before the redemption of the Refunded Bonds. The City represents as follows:

(a) The Bonds are the first advance refunding of the Refunded Bonds within the meaning of Section 149(d)(3) of the Code.

(b) The Refunded Bonds are being called for redemption, and will be redeemed not later than the earliest date on which such issue may be redeemed.

(c) On and after the date of issue of the Bonds, no proceeds of the Refunded Bonds will be invested in Nonpurpose Investments having a Yield in excess of the Yield on such Refunded Bonds.

(d) The Bonds are being issued for the purposes stated in the preamble of this Ordinance. There is a present value savings associated with the refunding. In the issuance of the Bonds the City has neither: (i) overburdened the tax-exempt bond market by issuing more bonds, issuing bonds earlier or allowing bonds to remain outstanding longer than reasonably necessary to accomplish the governmental purposes for which the Bonds were issued; (ii) employed on "abusive arbitrage device" within the meaning of Section 1.148-10(a) of the Regulations; nor (iii) employed a "device" to obtain a material financial advantage based on arbitrage, within the meaning of Section 149(d)(4) of the Code apart from savings attributable to lower interest rates and reduced debt service payments in early years.

(m) Qualified Tax-Exempt Obligations. The Pricing Officer is hereby authorized to designate in the Pricing Certificate the designation of the Bonds as "qualified tax-exempt obligations" in accordance with the provisions of the paragraph (3) of subsection (b) of Section 265 of the Code in the event the Bonds qualify for such designation.

#### Section 30. Damaged, Mutilated, Lost, Stolen, or Destroyed Bonds.

(a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed and delivered, a new bond of the same principal amount, Stated Maturity, and interest rate, as the damaged, mutilated, lost, stolen or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen or destroyed Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond shall furnish to the City and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every cause of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of or interest on the Bond, the City may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing replacement bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen or destroyed shall constitute a contractual obligation of the City whether or not the lost, stolen,

or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Bonds duly issued under this Ordinance.

(e) Authority for Issuing Replacement Bonds. In accordance with Chapter 1201, Texas Government Code, as amended, this Section of the Ordinance shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the City or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such bonds in the form and manner and with the effect, as provided in the Ordinance for Bonds issued in conversion and exchange for other Bonds.

Section 31. Sale of Bonds - Official Statement. The Pricing Officer is hereby authorized and directed to execute the Purchase Contract for and on behalf of the City, as the act and deed of this Council, and to make a determination as to whether the terms are in the City's best interests, which determination shall be final.

With regard to such terms and provisions of the Purchase Contract, the Pricing Officer is hereby authorized to come to an agreement with the Purchasers on the following, among other matters:

Furthermore, the Mayor, City Manager, City Clerk, Chief Financial Officer, any one or more of said officials, are hereby authorized and directed to furnish and execute such documents relating to the City and its financial affairs as may be necessary for the issuance of the Bonds, the approval of the Attorney General, and the registration by the Comptroller of Public Accounts and, together with the City's financial advisor, bond counsel, and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Bond(s) to the Purchaser and the initial exchange thereof for definitive Bonds.

Such Escrow Agreement is hereby authorized to be finalized and executed by the Pricing Officer for and on behalf of the City and as the act and deed of this Council; and such Escrow Agreement as executed by said Pricing Officer shall be deemed approved by this Council and constitute the Escrow Agreement herein approved. - (1) The identification of the Refunded Bonds;
- (2) The creation and funding of the Escrow Fund or Funds; and

Additionally, the Pricing Officer shall determine the amount of any City contribution to the refunding from moneys on deposit in the interest and sinking fund(s) maintained for the payment of the Refunded Bonds.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given; and, such waiver shall be the equivalent of such notice. Section 40. CUSIP Numbers. CUSIP numbers may be printed on the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof and neither the City nor the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds.

(14) Appointment of a successor or additional trustee or the change of name of a trustee, if material.

The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the City in any event will give notice required by subsection (c) hereof of any Bond calls and defeasance that cause the City to be no longer such an "obligated person".

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding anything herein to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

All payments of principal and/or interest on the Securities to the registered owners shall be accomplished (1) by the issuance of checks, payable to the registered owners, drawn on the paying agent account provided in Section 5.05 hereof, sent by United States mail, first class postage prepaid, to the address appearing on the Security Register or (2) by such other method, acceptable to the Bank, requested in writing by the Holder at the Holder's risk and expense.

**Section 3.02 Payment Dates.** The Issuer hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Authorizing Document.

### **ARTICLE FOUR REGISTRAR**

**Section 4.01 Security Register - Transfers and Exchanges.** The Bank agrees to keep and maintain for and on behalf of the Issuer at the Bank Office books and records (herein sometimes referred to as the "Security Register") for recording the names and addresses of the Holders of the Securities, the transfer, exchange and replacement of the Securities and the payment of the principal of and interest on the Securities to the Holders and containing such other information as may be reasonably required by the Issuer and subject to such reasonable regulations as the Issuer and the Bank may prescribe. The Bank represents and warrants its office in \_\_\_\_\_, Texas will at all times have immediate access to the Security Register by

electronic or other means and will be capable at all times of producing a hard copy of the Security Register at its \_\_\_\_\_ office for use by the Issuer. All transfers, exchanges and replacements of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the National Association of Securities Dealers, such written instrument to be in a form satisfactory to the Bank and duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three (3) business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

**Section 4.02 Securities.** The Issuer shall provide additional Securities when needed to facilitate transfers or exchanges thereof. The Bank covenants that such additional Securities, if and when provided, will be kept in safekeeping pending their use and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other governments or corporations for which it serves as registrar, or that is maintained for its own securities.

**Section 4.03 Form of Security Register.** The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

**Section 4.04 List of Security Holders.** The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the required fee, a copy of the information contained in the Security Register. The Issuer may also inspect the information contained in the Security Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

The Bank will not release or disclose the contents of the Security Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except upon receipt of a court order or as otherwise required by law. Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the Issuer so that the Issuer may contest the court order or such release or disclosure of the contents of the Security Register.

**Section 4.05 Return of Cancelled Securities.** The Bank will, at such reasonable intervals as it determines, surrender to the Issuer, all Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

**Section 4.06 Mutilated, Destroyed, Lost or Stolen Securities.** The Issuer hereby instructs the Bank, subject to the provisions of the Authorizing Document, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an overissuance.

In case any Security shall be mutilated, destroyed, lost or stolen, the Bank may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such mutilated, destroyed, lost or stolen Security, only upon the approval of the Issuer and after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Security shall be borne by the Holder of the Security mutilated, destroyed, lost or stolen.

**Section 4.07 Transaction Information to Issuer.** The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Securities it has paid pursuant to Section 3.01, Securities it has delivered upon the transfer or exchange of any Securities pursuant to Section 4.01, and Securities it has delivered in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities pursuant to Section 4.06.

## **ARTICLE FIVE THE BANK**

**Section 5.01 Duties of Bank.** The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof.

**Section 5.02 Reliance on Documents, Etc.**

(a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality

of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document supplied by the Issuer.

(e) The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

(g) The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum or letter as prepared by the Issuer, Issuer's financial advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum or letter acknowledged by the Issuer, the Issuer's financial advisor or other agent as the final closing memorandum or letter. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

**Section 5.03 Recitals of Issuer.** The recitals contained herein with respect to the Issuer and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

**Section 5.04 May Hold Securities.** The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

**Section 5.05 Moneys Held by Bank - Paying Agent Account/Collateralization.** A paying agent account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of moneys received from the Issuer under this Agreement for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities shall be continuously collateralized by securities or obligations which qualify and are eligible under both the laws of the State of Texas and the laws of the United States of America to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such paying agent account shall be made by check drawn on such account unless the owner of the Securities shall, at its own expense and risk, request an alternative method of payment.

Subject to the applicable unclaimed property laws of the State of Texas, any money deposited with the Bank for the payment of the principal of, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become due and payable will be held by the Bank and disposed of only in accordance with Title 6 of the Texas Property Code, as amended. The Bank shall have no liability by virtue of actions taken in compliance with this provision.

The Bank is not obligated to pay interest on any money received by it under this Agreement.

This Agreement relates solely to money deposited for the purposes described herein, and the parties agree that the Bank may serve as depository for other funds of the Issuer, act as trustee under indentures authorizing other bond transactions of the Issuer, or act in any other capacity not in conflict with its duties hereunder.

**Section 5.06 Indemnification.** To the extent permitted by law, the Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part, arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

**Section 5.07 Interpleader.** The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the state and county where the administrative office of the Issuer is located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming any interest herein.

**Section 5.08 DTC Services.** It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements", which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.

**Section 6.08 Benefits of Agreement.** Nothing herein, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, any benefit or any legal or equitable right, remedy, or claim hereunder.

**Section 6.09 Entire Agreement.** This Agreement and the Authorizing Document constitute the entire agreement between the parties hereto relative to the Bank acting as Paying Agent/Registrar and if any conflict exists between this Agreement and the Authorizing Document, the Authorizing Document shall govern.

**Section 6.10 Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which shall constitute one and the same Agreement.

**Section 6.11 Termination.** This Agreement will terminate (i) on the date of final payment of the principal of and interest on the Securities to the Holders thereof or (ii) may be earlier terminated by either party upon sixty (60) days written notice; provided, however, an early termination of this Agreement by either party shall not be effective until (a) a successor Paying Agent/Registrar has been appointed by the Issuer and such appointment accepted and (b) notice has been given to the Holders of the Securities of the appointment of a successor Paying Agent/Registrar. However, if the Issuer fails to appoint a successor Paying Agent/Registrar within a reasonable time, the Bank may petition a court of competent jurisdiction within the State of Texas to appoint a successor. Furthermore, the Bank and the Issuer mutually agree that the effective date of an early termination of this Agreement shall not occur at any time which would disrupt, delay or otherwise adversely affect the payment of the Securities.

Upon an early termination of this Agreement, the Bank agrees to promptly transfer and deliver the Security Register (or a copy thereof), together with the other pertinent books and records relating to the Securities, to the successor Paying Agent/Registrar designated and appointed by the Issuer.
