Sec. 10-802. City Limits in 1992

Section 41.003 of the Texas Local Government Code provides that an irrebuttable presumption attaches to the inclusion within the city of any area that has been functionally a part of the city for 20 years. City records indicate that the area designated in the Exhibit "A" which is attached to the ordinance adopting this section has been a part of the city for at least the preceding 20 years and the city has provided municipal services, including police protection, to the area and has treated the area as part of the city during the preceding 20 years. City records also indicate that there has not been a final judicial determination during the preceding 20 years that the area is outside of the boundaries of the city, and that there is no pending lawsuit that challenges the inclusion of the area as part of the city. Therefore, the City Council finds that the requirements of state law for inclusion of the area have been met and the inclusion of the area designated in Exhibit A is not contestable. (Ord.
