WELCOME

Welcome to AccessDirect Platinum – A Preferred Provider Network. The network is made up of physicians, acute care hospitals and ancillary services for members to access quality healthcare. AccessDirect Platinum consists of hundreds of physicians and facilities located throughout East Texas. By using network providers, you as a member will receive care from some of the best practitioners and facilities at lower out-of-pocket expenses.

RECEIVING PREFERRED RATES

Before a visit, call the Customer Service Department to verify a provider's address and confirm participation in the AccessDirect Platinum network. Upon arrival at the provider's office, be sure to present identification (ID card) to the receptionist. It is your responsibility as a member to inform the provider as to the network your health insurance is through. Using the ID card that has the AccessDirect Platinum name on it should ensure that you will receive the preferred rate for services covered by their benefit plan and assist the provider in filing claims.

KNOW THE COVERAGE

It is important to become familiar with benefit coverage. Knowing copayment, deductible or coinsurance amounts will assist both you and the provider in handling your portion of the cost of services and in filing claims. It is also important to know if pre-certification is required for hospitalization and what services are not covered under your plan. All questions regarding claims payments should be directed to your benefit plan claims administrator.

IMPORTANT NOTICES AND DISCLAIMERS

Please note the following so you will be aware of certain facts that may affect you or your family when accessing AccessDirect Platinum providers.

This directory of network providers has been prepared based on the best information available at the time of publication. The network makes every effort to maintain accurate, up-to-date information but cannot be responsible for errors or omissions. As providers occasionally change and to confirm that a specific provider is in your plan's network, please call AccessDirect Platinum's customer service department at 903-579-3918 or 800-259-3308 before each visit.

AccessDirect Platinum does not in any manner participate in or interfere with the provider-patient relationship. All healthcare decisions are between the patient and the provider. Your selection of a provider should not be based upon credentialing or listing of a provider in this directory. AccessDirect Platinum does not endorse any provider. Providers listed in this directory are independent contractors and AccessDirect Platinum is not responsible for the healthcare provided or not provided by any participating provider. Providers are listed by cities then by specialties.

Using an AccessDirect Platinum provider does NOT guarantee that all services will be covered under your health benefit plan. Treatment for medical or behavioral health (mental health or substance abuse) performed by physicians or facilities participating in the network does not guarantee that your benefit plan provides coverage for these services. Please consult your benefit plan or contact your plan administrator to determine covered or non-covered services.

Many healthcare providers participate in a group practice where others will provide services for their patients when they are unable or not on call. Each member of a practice or group may not be an AccessDirect Platinum provider and services rendered by others may be considered as out-of-network. Ask your physician if covering providers are also in AccessDirect Platinum.

HOW TO ACCESS THE NETWORK

STEP 1: Select a provider from this directory. If you need assistance finding a provider in a particular city or zip codes, or to verify that a provider is in the network, please call our customer

service department Monday – Friday from 8 a.m. to 5 p.m. at 903-579-3918 or 800-259-3308.

STEP 2: Call the provider to schedule an appointment. Identify yourself as an AccessDirect Platinum – Preferred Provider Network participant. Confirm that the provider is still participating in the network.

STEP 3: When you arrive at the provider's office:

- a. Present your benefit plan identification card. This step is very important for proper claim handling and payment.
- b. If required by your benefit plan, pay the office copayment at the time of service. If your plan has a deductible and coinsurance, you may be asked to pay the amount in full including the deductible, copayment or fees for non-covered services at the time of service.
- c. Your provider will send in-network claims to the address indicated on the identification card.

FOR CURRENT INFORMATION ON NETWORK PROVIDERS
