500  
Books

When you have read 500 books to your child, bring the completed log back to the library. Your child will receive a sticker for their hard work, reading log pages for the next 500 books, and logging stickers if needed. Your child will also be able to pick out a book to keep.

1000  
Books

When you read 1,000 books, your child will receive a free book, sticker, and tote. A special announcement will also be made over the library's intercom system to acknowledge your child's hard work and accomplishment. Their name will be placed on the 1000 Books Before Kindergarten wall.

Most importantly, by participating in this program, your child will have a great head start toward school readiness and lifelong learning!
