### TREE OF LIFE

Tyler Trees Committee's Tree of Life is a way to recognize our wonderful donors for their lasting contributions that have made to the City of Tyler's urban forest.

---

The Tree of Life is  
on display at the  
Rose Garden Center

In-Kind  
Donation

We are always looking for in-kind donations to offer as giveaways during our events for volunteers. These can include but are not limited to: restaurant gift certificates, donations of equipment (mulch, gloves, gator bags, pruning equipment, etc.) or other forestry gear.

As an in-kind donor, we will promote your company/organization on our website and recognize you at events. If the value of your donations meets or exceeds the monetary value of one of the above sponsorship levels, benefits will be granted to your organization.
