

## **Transportation Improvement Program Open House**

The public is invited to attend an open house to be held by the Tyler Area Metropolitan Planning Organization (MPO) in an effort to update the Transportation Improvement Program (TIP).

The open house will be held on **Monday, January 12, 2026** from 4:00 to 5:00 p.m. in the Tyler Development Center, Large Conference Room located at 423 West Ferguson Street, Tyler, TX 75202. The purpose of the Open House is to notify the public of a delay in the proposed widening of FM 2493 (Old Jacksonville Hwy) to 6 lanes. The current plan lists the project as being constructed in 2028, and the revision will move the project to begin construction in 2030.

Staff from the Tyler Area Metropolitan Planning Organization will be on hand to answer questions and provide information regarding the updates. Information about the TIP is also accessible on the **MPO website**: [www.tylerareampo.org](http://www.tylerareampo.org).

Questions and comments can be submitted through the Contact Us page under the About section of the MPO's website or by emailing the MPO at [mpo@tylertexas.com](mailto:mpo@tylertexas.com). Comments received will be presented to the MPO's Transportation Policy Committee when the proposed amendment is considered for adoption on January 23, 2025.

The Tyler Area MPO is responsible for transportation planning within the Tyler Metropolitan Area which includes Tyler, Hideaway, Lindale, New Chapel Hill, Noonday, Whitehouse and Bullard.

This notice of public involvement is consistent with the MPO's adopted public participation plan and will satisfy the Federal Transit Administration's program of project requirements.
