Few have created a greater impact on their Community, their State, Nation and the World, than R.W. Fair achieved during his lifetime. Born of humble beginnings near Arp in 1886, RW Fair was a highly successful Farmer, Oilman, Philanthropist, and Religious and Civic Leader.

Both of RW Fair's Parents were school teachers and he was grateful for the education he received at Summer Hill Select School near Omen. His first job was a rural (horseback delivery) mail carrier during which time he became interested in growing Peaches and Pecan trees. In 1923, he moved his family to Tyler and by the 1930's, he had established large peach and pecan plantations in Texas and Arkansas and developed several varieties that are still popular today. One of his earliest ventures was the Texas Pecan Nursery located in Tyler, which was the largest Paper Shell Pecan Operation west of the Mississippi. RW would later quip that business's whose name begin with the letter "P" were always very good for him!

In 1931, Mr. Fair leased one of his Peach Orchards to a Dallas Oilman named H.L. Hunt, who had recently drilled a successful oil producer on a farm just down the road. That well, the Daisy Bradford #3 proved to be the discovery well for the vast East Texas Field. One of the early subsequent wells Hunt drilled was the RW Fair Peach Orchard Well that was completed in March 1931 producing 2300 barrels per day. Although RW Fair had no experience in the Oil Business, his Entrepreneurial instincts took over and shortly thereafter, he became the first individual to finance 100% working interest in a well drilled on his own property with 100% Royalty interest. The rest is history and Fair was in the "P"etroleum business, successfully developing fields in Texas, New Mexico, Oklahoma, Colorado, Louisiana and Mississippi. When asked about his fortunate circumstances, Mr. Fair replied, "The Lord placed me on this site, I expect to put the income where it will help somebody besides me. Our family tithed before we had oil". Just 3 years later, in 1934, Mr. Fair and his wife Mattie, established the RW Fair Foundation, which continues their legacy of generosity and service to the Community still today.

During his lifetime, some of Mr. Fair's many accomplishments included funding over 1000 College Educations for theological students worldwide; He served on the Board of Trustees of both SMU and Lon Morris College for 39 years; With the establishment of the Fair Religious Film Service in 1947, he paid for the production of several full length faith based motion pictures translated into languages from around the globe; He printed and distributed over 12 Million copies of "A better world begins with Me" pamphlets worldwide. He was a long time member of Marvin United Methodist Church, serving as Chairman of the Board of Stewards and taught Men's bible study.

Until his death in 1965, Mr. Fair remained very active in the Tyler community. Some of his activities included Chamber of Commerce Officer, Bank Director, President of the Tyler Rotary Club, Chairman of the Salvation Army, Director of the East Texas Fair Association; President of the East Texas Boy Scout Council, TISD Board of Trustees and Treasurer of the Texas College Advisory Committee. He was a Founder and first President of the East Texas Hospital Association (now ETMC) and a Trustee of Houston Methodist Hospital. In 1941, he received the T.B. Butler award for Tyler's Outstanding Citizen.

R.W. and Mattie Fair had 3 children; Wilton Fair, James Fair and Martha Fair Dubell, all of which inherited R.W. Fair's spirit of service and generosity. Our world, and particularly our Community is a much better place due to the efforts of this family for over 7 decades.

GALLERY MAIN STREET

I. MAYOR OPENS THE CEREMONY with welcome.

II. MAYOR CONTINUES with review of the Half Mile of History program.

- **Background Information:** The City of Tyler's historic preservation program, the Half Mile of History, resulted from a recommendation that came out of the Tyler 21 planning process. The fifth goal of the Historic Preservation Chapter is:
- *"Promote and display diverse aspects of Tyler's history to enhance resident and visitor awareness of its importance."*
- The goal of the Half Mile of History is to pay tribute to people, places and events that have contributed to the rich history of Tyler and Smith County.
- The Half Mile of History is a permanent, outdoor, half-mile loop that surrounds the square in the heart of downtown Tyler. Stone plaques are placed in the sidewalk along the Half Mile of History to commemorate significant people, places or events.
- **Previous Half Mile of History honorees** include Governors Hubbard, Hogg and Roberts; Sen. Thomas Glover Pollard, the Tyler Woman's Building, Shirley Simons, Doc Witt, Texas College and several other important people and places in our history. R.W. Fair will be our 25th nominee to be so honored.
- **And now I would like to introduce City Manager Mark McDaniel, who will share with us the history of R.W. Fair.**

Subject: R. W. Fair stone

Bob,

Heather needs the following for the stone:

- Name Robert Walter (RW) Fair
- Date of Birth May 24, 1886
- Date of death December 10, 1965
- A summery and highlight of Mr. R. W. Fair that describes his attributes in about 35 words... It cannot be too long or it will not fit on the stone. This is trial & error kind so it may go back & forth a few times. Please have it to Heather by early next week so there is ample time to engrave and have it ready for the Ceremony.
A man of deep faith and generosity, from humble beginnings, became a successful Farmer and Oilman; In 1935, established the RW Fair Foundation; Believe "To whom much is given, much is expected".
