Arbor Day Success!

The 2021 Arbor Day two-day celebration hosted by Tyler Parks and Rec and the Tyler Trees Committee took place on Jan. 15 and 16. On Friday, home-school groups from Arrow's Way Academy and King's Academy Christian School planted 18 trees at Emmett J. Scott Park. On Saturday, the event opened with the reading of the Arbor Day Proclamation by Mayor Don Warren. Volunteers then planted 31 trees around the Woldert Park Baseball field, playground and pond with the help of planting experts from the Tyler Trees Committee and Texas A&M Forestry Service.

We are thankful for all our hardworking volunteers and excited for our 49 new trees to grow and leave a lasting impact for generations to come.
