# TRUSTED MESSENGERS: LET'S TALK COVID-19 VACCINES

Who are the "Trusted Messengers" and how do we bridge the gap with difficult conversations?

Important things you need to know about taking the COVID-19 vaccine and the six (6) professionals from which you need to hear.

Moderator  
**Dr. Roxana Cruz, MD**  
Texas Association of Community Health Centers

**Dr. Jason McLellan**  
UT Molecular Scientist

**Dr. Yvette M. Poindexter,**  
Community Health Network

**Dr. Shalonda Horton, Phd,**  
MSN, BSN  
UT Director of School of Nursing

**Jeff Travillion,**  
Travis County, TX Commissioner

**Kathy Payton,**  
CEO & President,  
Fifth Ward  
Community  
Redevelopment  
Corporation

Join this webinar panel discussion, focusing on vaccine messaging strategies from health center staff, faith-based leaders, and front line workers. Included in the conversations will be best practices to achieve vaccine confidence over hesitancy or deliberation.
