Teams

This is a 3-on-3 co-ed basketball tournament. Teams may be all women, all men, or any combination of both. There must be at least three players per team. Teams may have one additional fourth player to allow for substituting throughout the game.

Beginning the game

A coin flip will determine who gets first possession. A choice will be given to the team winning the coin flip to possess the ball first in regulation or first in a potential overtime scenario.

Playing Time/Winner of a game

Each game will consist of a 20-minute running clock (clock is not stopped during dead ball situations or free throws). The winning team will be the team scoring 21 points first or the team in the lead at the end of the fifteen-minute time limit. If the game is tied at the end of the 20-minute regulation period, an untimed overtime will be played decided by the first team to score two points. A team will lose by forfeit if at the scheduled starting time the team is not present or ready to play.

Scoring

Successful shots within the arc are rewarded 1 point. Successful shots outside the arc are rewarded 2 points. Successful free throws are rewarded 1 point.

How the ball is played

Following a successful basket or free throw, the non-scoring team will be able to dribble or pass the ball to a teammate unguarded beyond the arc. Once this occurs, the gameplay resumes. Following an unsuccessful basket or free-throw rebounded by the defense, the defensive team must return the ball behind the arc to start their offensive possession.

Advancing in the bracket

The 3-on-3 tournament is single elimination with each team randomly selected for their first-round match up. The semi-finals (Final Four) will be held the following week (May 12) for the advancing teams.
