

**Notice to Enrollees in a Self-Funded Nonfederal  
Governmental Group Health Plan for Plan Years  
Beginning On or After September 23, 2010**

Group health plans sponsored by State and local governmental employers must generally comply with Federal law requirements in title XXVII of the Public Health Service Act. However, these employers are permitted to elect to exempt a plan from the requirements listed below for any part of the plan that is "self-funded" by the employer, rather than provided through a health insurance policy. City of Tyler has elected to exempt the City of Tyler Group Health Plan from the following requirement:

Protections against having benefits for mental health and substance use disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan.

The exemption from these Federal requirements will be in effect for the 2022 plan year beginning 1.1.2022 and ending 12.31.2022. The election may be renewed for subsequent plan years.
